

PHARMACY BOARD[657]**Adopted and Filed**

Pursuant to the authority of Iowa Code section 147.76, the Board of Pharmacy hereby amends Chapter 2, “Pharmacist Licenses,” Iowa Administrative Code.

The amendment decreases the waiting period for retaking the North American Pharmacist Licensure Examination (NAPLEX) from 91 days to 45 days, with a limit of three attempts to pass the NAPLEX within a 12-month period. Due to this decrease in the waiting period, no waivers or exceptions to the 45-day waiting period will be accepted or honored because reducing the waiting period to less than 45 days would pose a threat to the integrity of the NAPLEX. This amendment is the result of program changes implemented by the National Association of Boards of Pharmacy, which maintains and administers the national pharmacist licensure examinations.

Requests for waiver or variance of the discretionary provisions of these rules will be considered pursuant to 657—Chapter 34.

Notice of Intended Action was published in the December 7, 2016, Iowa Administrative Bulletin as **ARC 2859C**. The Board received one written comment supporting the amendment. The adopted amendment is identical to the amendment published under Notice.

The amendment was approved during the May 10, 2017, meeting of the Board of Pharmacy.

After analysis and review of this rule making, no substantial impact on jobs has been found. However, reducing the waiting period between failure to pass the NAPLEX and the opportunity to retake the examination may result in faster entry into the practice work force by an applicant for pharmacist licensure.

This amendment is intended to implement Iowa Code sections 147.34 and 147.36.

This amendment will become effective on July 12, 2017.

The following amendment is adopted.
